CAREER

HON. CHERI BUSTOS

OF ILLINOIS

IN THE HOUSE OF REPRESENTATIVES

Monday, December 3, 2018

Mrs. BUSTOS. Mr. Speaker, I rise today to recognize Tom Connaughton, who is retiring from Cook Medical Group in Canton, Illinois. Mr. Connaughton served as Vice President of Government Affairs for Cook Medical Group for 15 years, and has had a stellar career in public service.

Mr. Connaughton served as a staff member for Senator Birch Bayh for many years. He began working for Sen. Bayh in 1969, and in 1970, was called to active duty in Vietnam as a captain in military intelligence, where he was awarded a Bronze Star. He returned to Sen. Bayh's staff in 1974, where he served as Counsel to the Senate Judiciary Committee. He then served as Issues Director for Sen. Bayh's reelection campaign in 1974 and presidential campaign in 1976. Mr. Connaughton moved to Sen. Bayh's personal staff in 1978 taking on the position of Legislative Director, and later becoming an Administrative Director from 1979 to 1980. After leaving Sen. Bayh's staff, Mr. Connaughton became a founding partner and managing partner of Bayh, Connaughton, and Stewart. From 2000 to 2003 Mr. Connaughton was the President of the American Association for Homecare, and from 2003 to 2018 he served as the Vice President of Government Affairs for Cook Group. I commend Mr. Connaughton on an outstanding career of public service and wish him the best as he begins to enjoy a well-earned retirement.

It is because of dedicated leaders such as Mr. Tom Connaughton that I am especially proud to serve Illinois' 17th District. Mr. Speaker, I would like to again formally congratulate Mr. Tom Connaughton for an exceptional career and thank him for all of his contributions and service to the community of Canton.

TRIBUTE TO LARRY COTTER

HON. DON YOUNG

OF ALASKA

IN THE HOUSE OF REPRESENTATIVES

Monday, December 3, 2018

Mr. YOUNG of Alaska. Mr. Speaker, upon the occasion of his retirement, I rise today to give special recognition to Lawrence P. "Larry" Cotter, a great friend and an outstanding, hardworking, and dedicated Alaskan. Larry has contributed tremendously to the positive evolution of our fisheries management in Alaska, the Pacific Northwest, and indeed the entire country. Larry has lived in Alaska and worked in the commercial fishing industry since 1974. He spent over four years as a seafood processing worker in Juneau, and eight years as a labor organizer and representative for seafood processing workers and longshoremen. Larry served on the Advisory Panel to the North Pacific Fishery Management Council for six years and then as a voting member of the Council for an additional six years. The time of Larry's service on the Council was during the transition years when foreign fishing was being phased out, our U.S. domestic fishing and processing capabilities were stepping up to replace the foreign fleets, and allocation issues among U.S. fisheries interests were first coming to the forefront. These were difficult, challenging, and exciting times—during which Larry was chair of several committees, including the Bycatch Committee and Crab Management Committee. Larry also served as chair of the Council's Steller Sea Lion Mitigation Committee and Alaska Seafood Marketing Institute's Responsible Fisheries Management Committee.

Most recently, until late this year, Larry has served as founding CEO of the Community Development Quota (CDQ) Group, known as the Aleutian Pribilof Island Community Development Association, or "APICDA." It is in this area of service to APICDA and his helping to develop, implement and sustain, not only APICDA, but the entire CDQ program, that Larry did perhaps his best work, accomplishing goals that will have positive impacts on Western Alaskan Communities for generations to come. Larry's work on the formation of Alaska's CDQ program has benefited all of the participating communities and his more than twenty-five years with APICDA has helped to develop the workforce, build infrastructure, and improve the economy throughout the Western Alaska Region.

Larry's longtime leadership in the seafood industry has helped to guide and shape the policies and programs that many enjoy today. Many observers, myself included, have correctly noted that Alaska has the best managed fisheries in the country, perhaps in the world, and I know we could not have achieved that status without Larry's tireless dedication and devotion to making our seafood industry sustainable for the long haul. Thank you Larry for your tremendous contributions to sustainable fisheries and to the participation of our coastal communities in those fisheries. Enjoy your retirement, and best of luck in your continuing endeavors.

TRIBUTE TO ARYA KARNIK

HON. DAVID YOUNG

OF IOWA

IN THE HOUSE OF REPRESENTATIVES

Monday, December 3, 2018

Mr. YOUNG of Iowa. Mr. Speaker, I rise today to recognize and congratulate Arya Karnik. Arya and his fellow teammates created the winning app in Iowa's Third District for the Congressional App Challenge 2018. Their team attends Waukee High School and Prairie View Middle School in Waukee, Iowa.

The Congressional App Challenge encourages students to learn how to code through annual district-wide competitions hosted by Members of Congress for their district. The team's app was entitled "FastLane." It was designed to give students and parents information about their bus routes, bus delays and assist with changing routes.

Mr. Speaker, I am honored to recognize Arya for creating the winning app with his team. I am proud to represent him in the United States Congress. I ask that my colleagues in the United States House of Representatives join me in congratulating Arya and wishing him nothing but continued success.
